

Lev Yuriditsky
Chief Intelligence Officer, Sscope Intelligence

- Joining the company with over 10 years of experience in the intelligence field, Lev directs Sscope's intelligence division and its global team of analysts, overseeing its strategic direction, investigating improvements to our methodology, and ensuring overall quality in our reports.
- He came to Sscope in early 2020 from the UN, where he was a civil-military coordinator in Jerusalem.
- Prior to the UN, he managed and led teams of political and security analysts covering all regions of the world.
- Lev has been quoted by various publications in relation to his expertise in the EMEA region, including Newsweek and Global Finance magazine.
- He has a BA in Economics from the University of Maryland and an MA in Middle Eastern History from Tel Aviv University.
