

Fabienne McLellan
Managing Director, OceanCare

- Fabienne McLellan has been the Managing Director of OceanCare since January 2022. OceanCare holds Special Consultative Status with UN ECOSOC and is recognised partner of numerous international and regional fora and Multilateral Environmental Agreements (MEAs).
- She has spoken at a number of UN meetings under UNCLOS, UNEA, the UN Ocean Conferences, and actively follows the negotiations for a global Plastics Treaty.
- Fabienne McLellan joined OceanCare in 2014 and holds a Bachelor's degree in Communication and Business Administration from the HWZ University of Applied Sciences in Zurich and a Master's degree in Environmental Science and Sustainability from Monash University in Melbourne.
- Prior to joining OceanCare, she has worked in the financial sector (Trusts and financial advisory) in Switzerland and then transitioned into the ocean realm, working for oceans campaigns in London.
