

André Vanyi-Robin
Founder & CEO, Plastiks

- Born in New York and now based in Barcelona, André brings a global perspective and strong commitment to sustainability shaped by his entrepreneurial journey.
- With over 25 years of experience in the technology sector, André Vanyi-Robin shifted his focus in 2019 to tackling the lack of transparency in plastic waste management.
- He founded Plastiks, a company that uses blockchain technology to bring traceability, verification, and accountability to the waste management industry.
- Plastiks supports circular economy initiatives by verifying plastic recovery and recycling through globally recognized standards.
